

Directions

- 1 From Kelana Jaya, take the LDP until you pass KDU College. Keep right and make a U-Turn before the traffic lights. Immediately keep left and take the small slip road on the left. Turn right at the slip road and then turn left (you will see the Balai Bomba on your left).
- 2 When using the SPRINT Toll, keep right and take the exit that leads to the NKVE. After the SPRINT Toll, keep left. Once you exit the flyover you need to keep to the left to turn off onto the LDP (after Tropicana City Mall). Once you're on the LDP, keep left and take the small slip road on the left.
- 3 To avoid the toll, take the alternative road and turn left onto Jalan Dato Abu Bakar. Go straight and keep right until you reach a 4-way junction (formerly the Universiti Hospital roundabout). Turn right at the traffic lights and go straight until you reach the Rothman Roundabout. Take the 3 O'Clock exit and turn left after the fruit stalls.
- 4 From Jalan 19/8, keep right and wait at the traffic lights (GEC's office is already in the shoplots on the right but you can't turn directly onto the road). Turn right and keep right. Once you pass BHP Petrol (on the left) there will be a break in the road where you can turn. Turn right into the housing area and take the first right after that. Go straight until you reach a T-junction. Turn left then turn right immediately (it will be a small backlane). The road you meet will be Jalan SS2/72.
- 5 If you miss the small slip road on the LDP, don't worry. Continue keeping left and turn onto Jalan SS2/75 and follow the road all the way to the end. There will be a traffic light. Turn left and in about 20m turn left into Jalan SS2/72. GEC's office will be on your right. Follow the road until you see an opening to turn into the shoplots area.
